Day 1: Kings Camp, Timbavati Private Nature Reserve

Timbavati Private Nature Reserve

Timbavati Private Game Reserve shares a common, unfenced border with Kruger Park and encompasses many exclusive private lodges. The region is best known for the ‘white lions of Timbavati’, two unusually pale lion cubs discovered here in the 1970s, their colour due to a rare recessive gene.

The Timbavati is a “Big Five” Game Reserve: Lion, Leopard, Rhino, Elephant and Buffalo roam freely as do many more species of predators and antelopes. Over 40 mammal species and 350 bird species have been identified within the area. This, together with the abundant variety of flora, the tranquillity and the natural beauty of the land, ensures an adventure to be remembered. It said to have the densest giraffe population in the world.

Day Notes

On arrival at OR Tambo Airport, you will be met and assisted to the Fedair waiting lounge where you will be connecting to their scheduled light aircraft charter to Kings Camp in the Timbavati Game Reserve.

Overnight: Kings Camp

Situated in the Timbavati Private Nature Reserve, Kings Camp reflects the charm and romance of a colonial past in a pristine corner of unspoilt Africa. Kings Camp is situated facing an open savanna plain with a waterhole, which is frequented by a wide variety of wildlife, day and night. Eleven generously spacious colonial suites are luxuriously equipped with air-conditioning, Victorian ball-and-claw bath, indoor and outdoor double shower, fully stocked mini-bar and private verandah. Dark tones of wood and thatch offset the natural colors of the bushveld.

The eleven generously spaced thatched colonial suites luxuriously equipped with romantic soft cascading mosquito nets, remote controlled air-conditioning, tea and coffee facilities, Victorian ball-and-claw bath, indoor and outdoor double shower, fully stocked mini-bar and private verandah with hammock, all combine to make Kings Camp the ultimate in luxury accommodation. Dark tones of wood and thatch offset the natural colors of the bushveld.

Morning and afternoon game drives with knowledgeable rangers in open vehicles. You will be served tea, coffee and biscuits on your morning game drive and drinks and canapés on your afternoon game drive. Your afternoon game drive gets back after dark, which gives you the opportunity to spot our nocturnal animals with a spotlight. Walks through the bush take place just after breakfast, on request, and is the best way of experiencing the “finer” aspects of the bushveld. Your knowledgeable ranger will guide you through the fauna and flora of the Timbavati Nature Reserve, pointing out insects, grasses, trees and the smaller species that are all an integral part of the Timbavati Nature Reserve.

Two perennial rivers, the Sabi and the Sand flow through this Game Park, sustaining the diverse fauna and flora of the area.

Day 11: Babylonstoren, Cape Winelands**Cape Winelands**

A mere one hours drive from Cape Town lie the valleys and mountains which have become synonymous with some of the world's finest wines. Spectacular mountain scenery, fine hotels and guest houses, 300 years of wine making history and many of the country's top restaurants combine to make the Cape Winelands into a much desired destination. This is the centre of South Africa's award winning wine industry and places of interest include Stellenbosch, Franschhoek and numerous award winning wine estates.

Overnight: Babylonstoren

With a glorious historical heritage dating back to 1692, no-one could have predicted Babylonstoren's exuberant rebirth after its restoration - or the fact that the experiential traveller would respond so emotively to its holistic ethos, which has very little to do with wine tasting, and more to do with soothing the soul, healing the mind and feeding the senses. It's this mindfulness and intelligent vision that has redefined and rebranded the Cape wine estate experience forever, by celebrating the simple pleasures of farm life but with designer cred that is layered through and through. The interiors of the hotel – thirteen cottages – were conceptualised by Karen Roos, former editor South African ELLE Decoration, with an elegant mix of antiques and designer pieces. Seven of these have glass-walled kitchens leading into the kitchen gardens, designed by French architect Patrice Taravella and featuring traditional hanging gardens, chamomile lawns, a walled bee garden, surprise stepping-stone fountains, and even outside bird nests to retreat to. Guests and visitors mingle, exploring the estate's many delights, whether it's a meal in the old cow shed – now the award-winning Babel restaurant with its farm-to-table menu of freshly plucked ingredients from the garden, or a taste of charcuterie, cheese and wine in the gabled farm shop. Here, tea after stroll through the Puff Adder Walkway in the elegant Conservatory at the top of the gardens is as much a ritual as the ancient cleansing treatment in the marble hammam or a refreshing swim in the reservoir-style pool.
