140km south of Nairobi, Amboseli National Park is the second most popular wildlife area in Kenya, famous for its large population of over 1000 resident elephants and for its scenic beauty with the backdrop of the world's highest free-standing mountain, snow-capped Kilimanjaro.

Amboseli National Park covers 96,865 acres (392km²), which constitutes less than 5% of the entire 2 million acre ecosystem of the Amboseli basin crossing from Kenya into Tanzania. The lush green wetlands in this otherwise dry area make Amboseli National Park one of the best wildlife-viewing areas on the planet, attracting over 600 species of birds including pelicans, kingfishers, cranes, hammerkops, 47 types of raptors as well as the African elephant, cape buffalo, impala, hyena, giraffe, zebra, gazelle and wildebeest with lion and cheetah among the big cats that roam the area.

Amboseli opens your eyes to Africa's vast space: a photographer's paradise. Around camp the Acacia Tortilis forest is host to many bird species and literally thousands of weaver nests hang above the tents adding a rousing dawn chorus into the mix.

Tortilis Camp has unrivalled views of Kilimanjaro, rising out of the semi-arid bush studded plains – Africa's highest mountain, and the highest free standing mountain in the world.

Winner of British Airways' prestigious eco-tourism award, Tortilis pioneered low impact, high comfort tourism. Guests have access to a private 30,000 acre conservancy facing the mountain; and can enjoy walks with experienced Masai guides, bush breakfasts and sundowners. Tortilis is famous for Northern Italian cuisine based on original family recipes.

Day 3 & 4: Meru National Park

ELSA'S KOPJE

Meru National Park, wild and remote, lies 10km north of the equator between Mount Kenya and the Nyambeni Mountains, 350km from Nairobi. Meru forms part of a larger conservation area covering 370,000 acres including the adjoining Kora, Rahole and Bisanadi Reserves. The park also incorporates an 84km² rhino sanctuary, making Meru one of the prime destinations to see rhino in their natural habitat. The birdlife is extraordinarily colourful and abundant with over 400 species of birds.

Rugged and remote, Meru National Park was rescued from oblivion thanks to Elsa's Kopje, an environmental award-winning, boutique lodge. Visitors get the whole place to themselves: all 870 km² of it, including a thriving rhino sanctuary inside the Park. Famous for large elephant herds, lion and birdlife, and more diversity of animal species than any other park in East Africa. Activities include nature walks, fishing in the streams, game drives to Kora and Bisanadi National Reserves, and evening game drives back to camp.

Unashamedly romantic and beautifully styled, Elsa's Kopje is sculpted into Mughwango Hill, above the site of George Adamson's original camp where he raised and released orphan lions, long before conservation became fashionable. Each cottage is crafted round the rocks, with a large bedroom, open sitting room, veranda, rock-hewn bathroom, and breathtaking views.

Day 5 & 6: Masai Mara Game Reserve

SAND RIVER MASAI MARA

The Masai Mara is famous for its astounding numbers of wildlife. With both resident and transient populations of lion, leopard, cheetah, hyena, giraffe, elephant, to name a few, as well as over 450 bird species, the vast fertile plains are dense with game. The area has been classified among the "Seven Wonders of the World" due to the extraordinary annual migration from July to November when over 1.3 million wildebeest and zebra cross from the Serengeti to the Masai Mara in search of greener pastures.

Located on the banks of a river from which it has taken its name, Sand River Masai Mara is located within the Masai Mara National Reserve, close to the Tanzanian border. Situated on a secluded and picturesque site, the Camp replicates the heyday of exclusive permanent tented camps of the late 1920's. The interior fixtures and furnishings mirror this period perfectly, reminding all who visit of those countless Hollywood movies that have paid homage to a classic era of African adventure.

Day 7 : Nairobi - Departure

Enjoy a morning game drive or relax at camp. After lunch your SkySafari flight will take you back to Wilson Airport.
