Day 1: Sabyinyo Silverback Lodge, Parc National des Volcans

Parc National des Volcans

Set high on the jungle-covered slopes of the volcanic Virunga Mountains, Parc National des Volcans is best known as a sanctuary for the region's rare mountain gorillas. Highly regulated treks through the reserve allow visitors to spend an hour at a time with these incredible primates in their natural habitat.

Overnight: Sabyinyo Silverback Lodge [View iBrochure](#)

The lodge is only minutes away from the headquarters of the Parc National des Volcans from where clients trek on foot to see the magnificent Mountain Gorilla – perhaps one of the most dramatic, thrilling and poignant wildlife experiences possible. Accommodation at Sabyinyo Silverback Lodge comprises five double cottages, two suites and one family suite. All are stone buildings with Rwandese terracotta tile roofs, and feature large sitting areas, fireplaces, stylish en-suite bathrooms finished with Venetian plaster a dressing room and a sheltered veranda. Heat exchangers in the fireplaces provide a plentiful supply of hot water.

Day 2: Sabyinyo Silverback Lodge, Parc National des Volcans

Activities

Gorilla Trekking

Gorilla Trekking

Wake early for a hearty breakfast to give you the energy needed for gorilla trekking. Before 8:00am, report to the ranger station for registration and a talk by one of the rangers. The guides will then take you through the bush, pushing your way through the undergrowth, to track the gorillas. (Please note this trek can take from 30 minutes to 5-6 hours). A reasonable degree of fitness is required, as well as a sturdy pair of walking shoes. Sit in the forest among the gorillas, listening to them 'talk' to one another, and marvel at the sheer size of the dominant male, the Silverback. It is an extraordinary feeling sitting in the dense rainforest knowing you are with a few of the last remaining mountain gorillas. It's amazing to think there are only about 650 of these beautiful creatures left.
